Who We Are

Welcome to Ficore Safety, your trusted partner in Occupational Safety and Health (OSH) training and development. Our mission is to empower organizations and individuals by equipping them with the knowledge, skills, and best practices to create safer, healthier, and more productive workplaces.

With a team of certified Occupational Safety and Health (OSH) professionals and a wide range of tailored training programs, we ensure compliance with regulatory standards while fostering a strong safety culture. Whether you need basic awareness sessions, specialized training, or advanced certifications, we are committed to delivering engaging, practical, and impactful learning experiences.

Vision, Mission, Values

"Good leaders have vision and inspire others to help them turn vision into reality. Great leaders create more leaders, not followers. Great leaders have vision, share vision, and inspire others to create their own." —Roy T. Bennett

MISSION

Our mission is to empower organizations and individuals by equipping them with the knowledge, skills, and best practices to create safer, healthier, and more productive workplaces.

VALUES

- Trust
- Respect
- Ethics
- Teamwork

Health & Safety

FICORE recognises that health and safety is at the core of its responsibilities.

All activities shall be performed to meet client requirements, contract specifications, other applicable codes, standards and jurisdictional regulations. Thus the management is committed to take the following measures:

The management shall ensure that effective actions are taken to ensure that this policy statements are endorsed by all employees and is adhered to and constantly improved upon.
